MG 242 - Alpha Omega Society

Dates: 1930-1971.

Extent: .2 m of textual material.

Institutional history: The Alpha Omega Society was created in 1930. Its objective was to “foster such social and intellectual activities as will bring the students of Ukrainian descent into a closer bond and a clearer understanding with the rest of the University.”

Scope and content: The fond contains club records including clippings, photographs, correspondence and financial records.

Restrictions: There are no restrictions.

Original finding aid by Patrick Hayes, 2011. Edited for formatting by Amy Putnam, 2017.
