

Church Histories collection (FG 19)

About the Records

Note: See <https://memorysask.ca/church-histories-collection> for detailed description.

Summary

Title proper: Church Histories Collection

Reference code: FG 19

Creation: ca.1925–1986

Physical description: 2.3 metres (approx.) textual records

Scope and content

The collection consists primarily of documents relating to history of various Saskatchewan communities. Contents include written narratives (sketches) and notes, articles, pamphlets, and publications.

Associated materials

Additional histories and related documents may be found among other pastoral charge fonds in the Archives.

About Archival Reference Numbers

When requesting access to specific records, please note the title and date listed, as well as all parts of the reference code, including:

- the locator code (e.g. "A.676");
- a roman-numeral series code (e.g. "XVII") and any sub-series codes present;
- individual file and/or item identifiers.

Example: A.676.XVII.D.1 – Edmund H. Oliver, Correspondence, 1911-1916.
