MG 286 - Mike Kozakew - Ituna Film Collection

Dates: [ca. 1915-1946].

Extent: 12 - 28 mm films; 5 cm of textual records; and memorabilia.

Scope and Content: This collection includes various 28mm films, including two Charlie Chaplin films, "The Rink" and "The Fireman" (both 1916) and "The Coward," a 1915 Civil War drama; as well as newsreel and instructional films on the gasoline engine; the Canadian Rockies; and athletic instruction; etc. Also included are textual records including a catalogue of films available at the time, and correspondence with General Films Limited; together with the 28mm projector Kozakew used.

Biographical note: Mike Kozakew exhibited films in Ituna, Saskatchewan and the general area.

Restrictions: There are no restrictions on access.

Accession Number: 2002-119.

Note: All films put in cold storage Sept. 3, 2014. Small reels in state of mild decay, almost all large reels in very poor condition. Check small reels again by Sept. 2024.

Finding aid updated for formatting by Joanne Abrahamson, 2020.
