About Archival Reference Numbers

When requesting access to specific records, please note the title and date listed, as well as all parts of the reference code, including:

- the locator code (e.g. "A.676");
- a roman-numeral series code (e.g. "XVII") and any sub-series codes present;
- individual file and/or item identifiers.

Example: A.676.XVII.D.1 – Edmund H. Oliver, Correspondence, 1911-1916.

Note: Records marked "restricted" in the finding aid will have to be reviewed before they can be made available to researchers.
