P. H. West, Esq.,
c/o District Director of Postal Service,
Calgary, Alberta.

Dear Mr. West,

I regret very much that it is not possible for me to be present at the get-together in Calgary on the occasion of your retirement from the Postal Service. I would have liked to have expressed my wishes personally.

It was not my privilege to have known you for very many years but in the few years since I met you I know you tried to do a good job, and have the good of the Service constantly before you.

I would like to say a word of appreciation not only on my behalf, but on behalf of the Headquarters and the Post Office Department generally. I know all would join me in expressing our sincere good wishes.

Thank you for many years of loyal and conscientious service. May you and Mrs. West continue to enjoy excellent health.

May God bless you and favour you with a long and a happy retirement.

Yours sincerely,

W. G. Sack

Regional Director-Prairies Region.
