COOKING PRODUCTS DONATED TO RIVERVIEW

Food products and lots of them found their way into the home economics laboratory of Moose Jaw's newest high school, Riverview Collegiate, yesterday afternoon. The Moose

Jaw Women's Co-op Guild and the city's Co-op store donated the variety of foods for cooking to the lab. Looking over a table top heaped with the products, are, from left: John

Milton, warehouse manager at the store; Mrs. C. R. Sutherland, home economics instructor at the collegiate; and Mrs. L. Lloyd, president of the Co-op Guild. (Times-Herald photo)

CO-OP GUILD

Members of the Co-op Women's Guild entertained their husbands with a supper and an evening of entertainment.

Mrs. H. Larson, acting as master of ceremonies introduced the artists. H. Mattson, violin and Mrs. H. Nagel on the piano.

J. Elliott did a step dance accompanied by Mr. Mattson and Mrs. Nagel.

Mrs. Watson and Mrs. Thomas entertained with a skit. Mrs. Mattson gave a reading and Mrs. H. Binner a recitation.

A film was shown of the activities of the Saskatchewan Training School, the report says.
