Seager Wheeler, Esq.,
Rosthern, Saskatchewan.

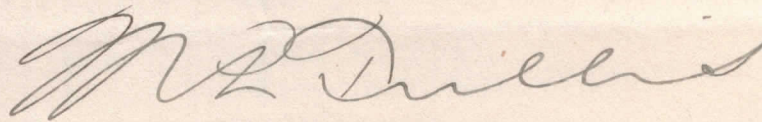

Dear Sir:-

Yours of the twenty-ninth ultimo received and in reply thereto I regret to advise you that your exhibits were returned here in a badly damaged condition. This has reference mainly to the sheafs. A number of the exhibits have not been returned at all. This includes your spring wheat exhibit. There was no representative of this Department at the Exposition this year to take care of the exhibits and so everything had to be left in the hands of the Exposition Management. We are writing to Mr. Wilmarth today especially with regard to the sweepstakes wheat. Rather than send your exhibits to the Grain Growers' Guide we are returning what there is to you direct. We have wired the Grain Growers' Guide explaining why they are not being sent on.

Your trophies should arrive here in a day or two as the secretary of the Congress has written under date October 31 that "they will be expressed in a day or two".

Very brief information has been received from the
Congress regarding Saskatchewan wins. However,
we are attaching copy of the list received.

Yours faithfully,

A handwritten signature in cursive script, appearing to read "M. L. Dillie".

Weeds & Seed Commissioner.
